Announcement/Rating

The DMYV announces the "Rookie of the Year IDM F2" as part of the IDM F2 2020.

The "Rookie of the Year" rating is open to all drivers who hold a first licence for motorboat racing.

The basis for the "Rookie of the Year" rating is the official daily final result of the respective event, which is calculated with the following scoring system and from which an overall ranking is created at the end of the season.

For each event the following points will be awarded for the "Rookie of the Year" rating depending on the ranking:

Main race:

| | | | | | | | | | | | | | | | |
|------|----|----|----|----|----|----|----|----|----|----|----|----|----|----|----|
| Pos. | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 |
| Pt. | 40 | 36 | 32 | 28 | 24 | 20 | 18 | 16 | 14 | 12 | 10 | 8 | 6 | 4 | 2 |

For the year-end rating all results of the individual races of the IDM F2 will be considered. There is no strike result. The score from the daily rating will be added to the year-end rating.

In case of a tie (ex aequo) the larger number of the first, then the second and possibly further places of all competitions/races carried out for the IDM F2 will decide. If there is still a tie, the better placement in the last competition/run will decide.

The following prize money will be paid out at the end of the year:

| | | | | | |
|------|-----|-----|-----|-----|----|
| Pos. | 1 | 2 | 3 | 4 | 5 |
| € | 250 | 200 | 150 | 100 | 50 |

The rider with the highest total score after all IDM F2 rating runs will be awarded the title:

"DMYV F2 Rookie of the Year"

In addition, the provisions of the IDM F2 regulations apply.
